Certified Purchasing Manager awarded to Tim Joyce

Universal Electric Corporation is pleased to announce that Tim Joyce, a loyal employee for more than 20 years has earned the status of Certified Purchasing Manager (C.P.M) from The Institute for Supply Management (ISM).

According to ISM, those individuals earning the designation demonstrate their professional capabilities by passing four rigorous examinations, pursuing formal and continuing education, and working and contributing to the purchasing and supply management profession. ISM also states that, professional certification assists management in identifying purchasing and materials management professionals having demonstrated a specific level of knowledge and experience. Such professionals are an important part of the skilled management team necessary to meet the challenges in today's competitive global environment.

Universal Electric Corporation would like to congratulate Mr. Joyce on his accomplishments and for his loyal service to this company.
